

**‘The development of a local solution to facilitate a standardised approach to the electronic transfer of prescriptions from Beaumont Hospital via Healthmail’**

Eilis Kearney, Pharmacy Department, Beaumont Hospital Dublin  
IMSN Conference November 2020

Beaumont Hospital 

# Pharmacy Department Healthmail Project Plan

## - Initiation and Planning

Review legislation and consider how it may impact prescribing practice in Beaumont Hospital

Engage with IT, Clinical Director, Drugs and Therapeutics Committee

Develop with IT a legally compliant means for electronic transfer of prescriptions via Healthmail

# Pharmacy Department Healthmail Project Plan - Pilot and Implementation

Pilot phase – Clinical Staff Engagement and Testing –  
Pharmacists, ANPs, NCHDs, Consultants

Communication, Education, Go Live, Post Implementation  
Audit

# Outcome

- Bespoke legally compliant system to allow electronic transfer of prescriptions launched July 2020
- 1700 Prescriptions transmitted to date (Mid Nov 2020)
- Copy of all prescriptions available to view by all relevant clinical staff
- Audit

□ Thank You
